Ethical and Sustainable Trading Policy Statement

At Micronclean we are committed to our purpose and SKIEs values; Stewardship, Knowledge, Innovation and Excellence, with our Microngreen Environment and Sustainability Strategy outlining our commitment to People and Planet.

We strive to:

1. Act with transparency and accountability through continuous review of our ethical position by ensuring thorough background checks of all our suppliers and building partnerships with our customers.
2. Build sustainable practices and operate in ways that minimise further environmental harm and take action to improve biodiversity and the environment.
3. Respect human and animal rights in all business activities.
4. Enforce a zero tolerance for bribery, corruption, discrimination and hatred.
5. Treat all customers fairly to meet their needs, ensuring new products and services are aligned to our SKIEs values and ethics and add value to their process.
6. Operate an ethical workplace and culture, promoting equal opportunities and equality, diversity, and inclusion.
7. Commit to being a good local, corporate and world citizen seeking to improve our communities and invest into good causes.

Our policy statement outlines the commitment of our company to operate in an ethical and sustainable manner.
